

**\*Welcome to the Better Together Summer Children's Theatre Camp\***  
where young actors and actresses become the stars of their own show!  
We are incredibly excited to offer this unique and empowering week-long experience, from June 24th through 28th from 9am to 3pm with the final performance at 1pm on Friday.

Immerse yourself in the world of theatre and collaboration! Our campers will work together to write, direct, and perform an original play centered around our theme, "Better Together." Through daily acting and writing workshops, costume and scenic design sessions, improvisation training, and rehearsals, our campers will experience the many benefits of theatre education:

- **Creativity Boost:** Theatre encourages children to think outside the box, fostering creativity and imagination.
- **Confidence Building:** Performing in front of an audience can be daunting, but it also helps children build confidence and self-esteem.
- **Public Speaking Skills:** Theatre is an excellent way to improve communication and public speaking skills, which are valuable in all aspects of life.
- **Teamwork and Collaboration:** Our theme, "Better Together," emphasizes the power of working as a team to achieve goals, and our campers will learn this firsthand through their theatrical journey.
- **Problem-Solving Skills:** The process of creating a play, from writing to performing, involves identifying and solving problems, which is an invaluable skill for life.

Join us for a fun-filled week of imagination, laughter, and learning as we celebrate the magic of theatre and the incredible things we can achieve Better Together!
